IV. NEW BUSINESS

- We may want to consider changing the IMB meeting night so that it works better for the band director and band staff.
- Fee Structure – identified last month as an area that could be improved. David described how you can go on the RSD website parents link and make payments. Suggestion that the IMB set forth a suggested fee payment schedule for parents to make incremental payments, and an option to contact Mr. Rose if there is a financial need. For example, \$50 is due on Day 1, the next \$100 is due after apple sales, and the final \$100 due later. Dawn will check with Mr. Rose to see if he has guidance on the fee schedule to meet competition fees, props for show, etc. Dawn will try to find out what the band program budget is and what the school isn't covering.
- Dawn suggested that we give a SLACK 101 training if that is going to be our main way of communicating.
- How can we find out who sets the \$250 marching band fee and what it pays for? Dawn will ask Mr. Rose.
- Communication improvement initiative – Mr. Rose proposes a communications committee with the mission of improved communications to parents throughout the

- Next meeting Tuesday May 15. IMB will explore other locations to meet, since library isn't available.
